

Morale goes **Green**

Our Commitment:

- To build a sustainable business with our designer and Project Manager partners, and most importantly our customers.
- Participate and contribute as part of the chain to build modern offices in green community.
- Together with our customer, support poverty development in China through donating unused furniture and equipment to poor villages.

- FSC
- Large Chamber Test
- GREENGUARD
- ISO14001 EMS
- BIFMA

FSC - Forest Stewardship Council, established to promote the responsible management of the world's forests. A number of certification assessments, such as the US, Australian and American Green Building Council accept FSC as the only proof of sustainability.

国家建筑材料测试中心
NATIONAL RESEARCH CENTER
OF TESTING TECHNIQUES
FOR BUILDING MATERIALS

Test items	System Furniture Emission limits (LEED-Civ2.0)	Test results
Formaldehyde	50 parts per billion	37.3 parts per billion
Total-aldehydes	100 parts per billion	67.9 parts per billion
TVOC	0.50 mg/m ³	0.13 mg/m ³
4-Phenylcyclohexene	0.0065mg/m ³	undetected

BIFMA develop voluntary product and industry standards that support safe, healthy and sustainable environments; publish key industry statistics; advocate for legislation and government regulation that have a direct impact on the health.

Sustainable Certificate

The GREENGUARD Certification Program is an independent, third-party testing program for low-emitting products and materials. It ensure chemical and particle emissions meet acceptable indoor air quality (IAQ) pollutant guidelines and standards.

ISO 14001:2004 Environmental Management System EMS is a part of a series of international standards applicable to any organization, anywhere relating to environmental management.

- **Regional Materials**

Factories in Beijing, Shanghai and Guangzhou to facilitate 800 km radial from the site.

- **Waste Management**

While we are moving toward zero waste production, Morale achieves zero waste on site delivery and installation.

- **Recycled Content**

Morale products are built with recycled content including steel and aluminum in our products.

- **Resources Reuse**

Morale supports reassembling existing workstation, refurbishing chair and panel, refinishing existing metal cabinet.

- **Rapidly Renewable Materials**

Incorporate 10-year-cycled materials in furniture design and manufacturing. (i.e. strawboard, bamboo, cotton fabric, wheat-grass)

- **Table Lamp and Accessories**

We carry various LED table lamps with zero heat generation and less power consumption.

- **Donation for Community Development**

Donate existing unused furniture and equipment to support China poverty alleviation, to save landfill, better utilize resources and community growth.
